Celebrating one **life** to  
**benefit** the lives of many

*A Unique Naming Opportunity At  
Willow Towers Assisted Living*

## Legend of the Willow

The Willow Tree is known as the  
“tree of love” and a vibrant symbol  
of hope and strength.

It is known to be both strong and  
flexible — bending rather than  
breaking under stress.

Our Willow Tree of Life reminds us  
to keep growing and reaching higher,  
no matter where you are planted.

It is our guardian and brings energy  
of protection and love into our Home.
